

EXERCISE 1

Create a simple HTML page using basic tags.

HTML CODE:

```
<!doctype html>

<html>

<head>

<title>Using basic tags</title>

</head>

<body>

<p>Hi, myself<b><i>PRIYA KUMARI</i></b>. I am student of<strong> BCA 1A</strong>.I am
glad to join <u> MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND
STUDIES</u>. They have a lot of opportunities which enhance ourselves.<br>I have believe
that after 3 years in this university, we are ready to join any company and compete for any
position. With all these believes i have started my journey, and hopping for the best i will do.

</p>

</body>

</html>
```
