

EXERCISE 10

Write HTML code to display an image with border of size with width 200, height 200 pixels, leaving Hspace and Vspace of your choice with image hanging in the right.

HTML CODE:

```
<!doctype html>

<html>

<head>

<title>hspace vspace</title>

</head>

<body>

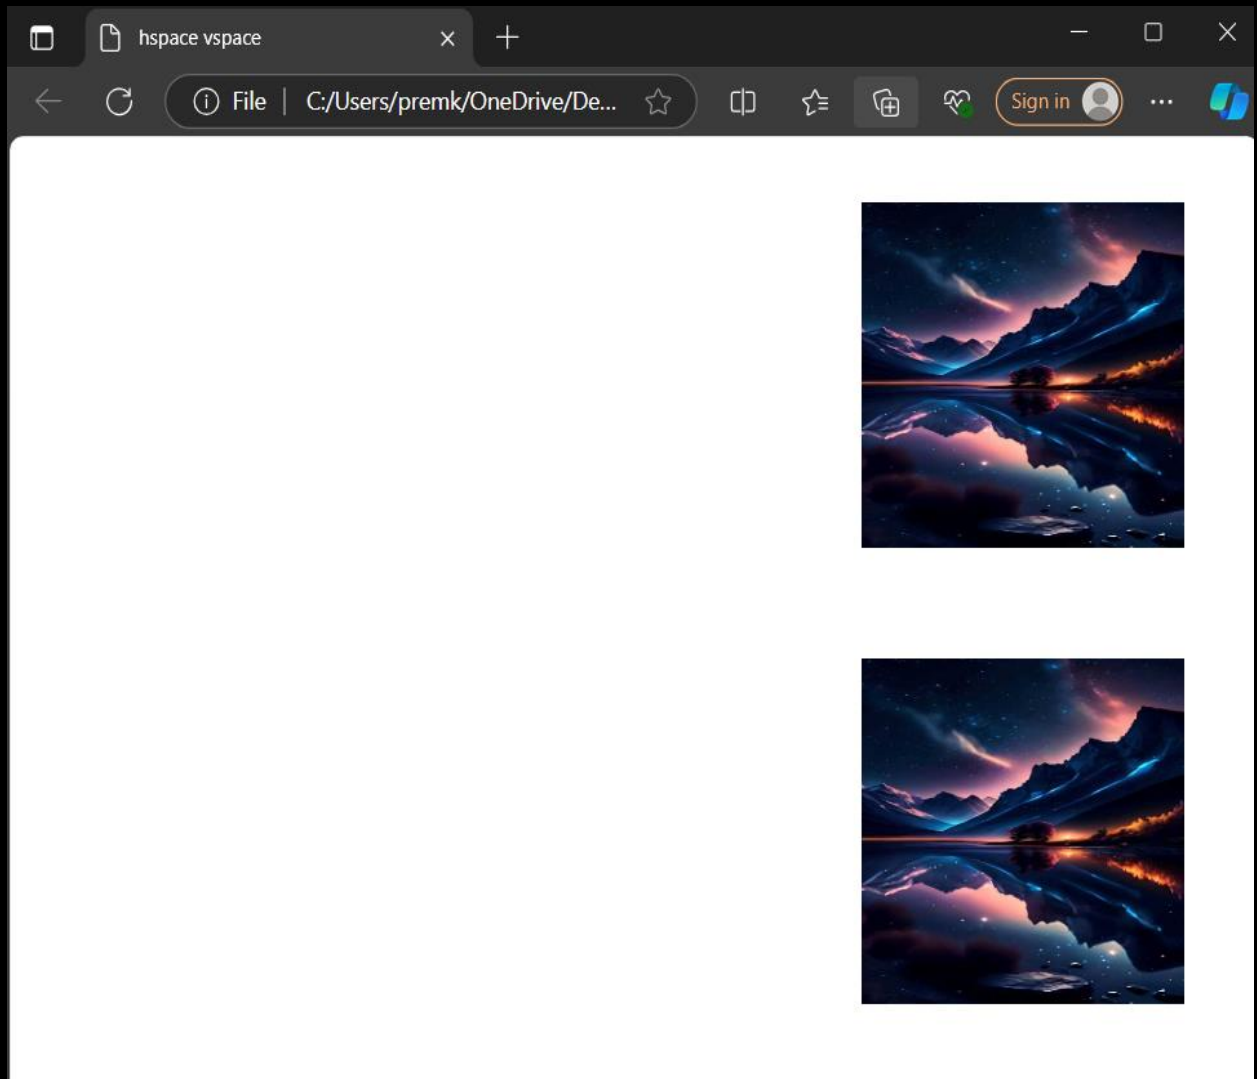

</body>

</html><
```

OUTPUT:

```
/html>
```

```
= "200" width="200" hspace="520" vspace="30">
```

```
</body>
```

```
</html>
```
