EXERCISE 3 & 4

Create a web page and shown the output from 1 to 10 in separate line. Each number being in different colors.

HTML CODE:

```
<!doctype html>

<html>

<head>

<title>using separate colors</title>

</head>

<body>

<font color="blue">1<br><font color="red">2<br><font color=purple">3<br><font color="yelllow">4<br><font color="green">5<br><font color="orange">6<br><font color="magenta">7<br><font color="brown">8<br><font color="black">9<br><font color="grey">10

</body>

</html>
```

OUTPUT:
